- **Bachelor degree** in Computer Science in 2017
 - University of Strasbourg, France
- **Two-year University degree** in Computer Science in 2016
 - University of Strasbourg, France
- **Two-year University degree** in Sciences, specializing in acoustic physics in 2015
 - University of Le Mans, France
- **'A' Levels** in Science with high grades in 2013
 - Secondary School Michel de Montaigne of Mulhouse, France

Professional experience in computer science

- **February-July 2019. Montpellier, France**
Trainee at Emersya
 - Front and Back-End programming
 - Improved Javascript, Php and SQL programming skills, Symfony framework
 - Used FFMpeg library (Image & video processing)
- **June-July 2017. Saint-Louis, France**
Trainee at the Franco-German Research Institute of Saint-Louis
 - Modules and interfaces programming for active imaging binoculars
 - Improved C++ and matlab programming skills
 - Used Qt Creator, Matlab and Arduino Integrated Development Environments.
- **June-July 2016. Strasbourg, France**
Trainee at the ICUBE Research Laboratory of Illkirch-Graffenstaden
 - creation of a web dashboard in real time relation with the IoT-LAB platform

- Improved python, C++ and web programming skills
- Used web Frameworks and Arduino Integrated Development Environments.

Computer knowledge

- Common skills : Word-type text processing, Excel spreadsheets, Powerpoint, Open-Office, Google Drive Suite
- Computer languages and web frameworks : C, C ++, Java, Shell script, Python, SQL, MIPS assembler, Ocaml, Prolog, HTML, CSS, Javascript, VueJS, ReactJS, Symfony
- Integrated Development Environments : Eclipse, IntelliJ, Android Studio, Qt Creator, Arduino IDE, Code Blocks, Unreal Engine, Unity
- IT environments : Unix & Windows

Languages

- French : native speaker
- English : good working knowledge
- German : working knowledge

Hobbies

- | | |
|--------------------------------------|---------------------------------------|
| - Basketball : +10 years of practice | - Badminton : 4 years of practice |
| - Piano : +10 years of practice | - Bicycle : 6 years of practice, |
| - Video montages, YouTube channel | youth coaching by mountain bike |
| - Websites creation | - Freelance bike messenger since 2017 |
